ACTIVITIES:

An initial international workshop on “Migration, integration and co-development in Europe”, Venue: Caltanissetta, Italy. Dates: 8-10 May 2015

An online survey will be launched on March 2015 in order to gather individual opinions on a common migration and asylum policy from a large number of citizens in all participating countries. The results will provide the basis for the development of recommendations for a European Citizen’s Initiative on a common EU policy on Migration and Asylum.

A final international seminar “A common European migration policy”. Venue: Caltanissetta, Italy. Dates: 3-4 October 2015

OBJECTIVES:

To foster a lively and cross-border debate about EU policy related to migration, asylum and international protection among civil society organizations and citizens in Europe.

To contribute to the kick-start of a common EU migration and asylum policy.

To increase further cooperation, democratic engagement and civic participation between civil society organizations and citizens that are active in the migrations, asylum and inclusion field from different countries and living communities in Europe.

AS A FINAL OUTPUT OF THE PROJECT, PARTNER ORGANIZATIONS AND PARTICIPANTS WILL WORK ON RECOMMENDATIONS FOR A EUROPEAN CITIZENS’ INITIATIVE DEMANDING A NEW EUROPEAN MIGRATION POLICY

Through our social media channels, we can share thoughts, ideas, questions, articles, updates, websites links and a wide variety of information on migrations and asylum seekers policies and issues in Europe.

We would like to create a platform for intercultural dialogue and debate where citizens from different living communities in Europe can express their views about EU policies related to migrations, asylum and more broadly, about the priorities and strategic actions needed to face common and current challenges.

Keep updated and join the project online!
