Organizational issues:

As the host of the FISHFARM Partners kick-off-meeting, EUROCULTURA has booked hotel for participants.

The cost of the hotel is 80 € + 1.50€ city tax per night (single or double), breakfast included.

Dinner and lunch at the meeting venue will be € 20,00 each.

On Saturday the hotel restaurant is closed, so we will have lunch in one of the fast food restaurants situated in the nearby shopping center. The cost will be around 15,00 €, depending on the food chosen.

The hotel is in the outskirts of the town. There is a bus stopping in front of the hotel (bus nr. 1 direction LERINO or TORRI DI QUARTESOLO). Tickets cost € 1,70 (you must ask for BIGLIETTO EXTRA URBANO) and is good for 120 minutes.

Bus tickets can be bought at tobacconists (there is one in the train station and one in the shopping center near the hotel). It's also possible to buy a ticket directly in the bus and in this case the price is about € 2,00 (but sometimes tickets are not available on board, so is better to have them before entering the bus).

On working days the bus runs every 30 minutes.

A taxi fare from the train station or the city center to the hotel costs about 15,00 euros (depending on time and number of luggage).

We will go to the city center by city bus.
