- Slippers/sandal
- Swimming suits (it may be warm enough to swim during the day)
- Warm clothes (it may rain and be windy in the evening)
- All personal medication
- **Make a travel health insurance which is valid in Turkey during your stay!!!**
- Please bring something which represents your country. Some food, drinks, music, dance and materials to introduce your country to the others (for the intercultural evening)
- There will also be possibility to present your organization and to find new partners for your future projects. So, don't forget to bring general information on your organization (leaflets etc, films or power point presentations). This will allow us to create an Exchange-Board available to everyone, all the time...

Travel to Altinoluk

Even you have 3 options, I recommend you to find a direct flight to **İzmir Adnan Menderes Airport (ADB) which is only 240 km away from your hotel**. You may also fly to Istanbul – Sabiha Gökçen or Atatürk Airport. While at the airport, you can/should exchange some currency. **Currency:** Turkish national currency named Turkish Lira (TL) and the exchange rate approximately **1 € = (around) 4,7 TL**. We recommend you to exchange just about 30 EUR. You might exchange the rest of your money here in Edremit because you can get a better rate here compared to the airport. You should have some Turkish Lira with you because most places don't accept Euro.

OPTION 1 - From **İzmir Adnan Menderes Airport (ADB)**: You should take a bus (line 204) to go to İzmir Bus Station. When you are in the Bus Station (Otogar), the recommended-best choice company is **Pamukkale, Kamil Koç to drive to Altinoluk**. Because there is a direct bus from İzmir to Altinoluk. (And the price is around 40 TL). It takes around 4-5 hours by bus. **(if you have a direct flight to İzmir it is OK...**otherwise I will NOT recommend this option, if you select this one please just ask me!!!! then buy your tickets)
