

ROOTS TOURISM

EDUCATIONAL CURRICULUM FOR VET SCHOOLS AND TRAINERS

The Roots Tourism curriculum supports the development of skills needed to create responsible, sustainable and authentic roots tourism experiences.

"Learning how to connect heritage, memory and local communities"

WHAT WILL THE CURRICULUM TEACH?

- Understanding roots tourism and diaspora tourism
- Interpreting family memory and local heritage
- Working with archives, maps, interviews and oral histories
- Designing responsible tourism experiences
- Using digital tools and storytelling in tourism education

WHO IS IT FOR?

- VET schools and tourism schools
- VET trainers
- educators and teachers
- students and learners
- guides, local leaders and cultural institutions

COMING SOON!

The Roots Tourism curriculum is being developed through international Erasmus+ partnership cooperation.
